Note to all families, there is a new trial this year for those entering more than one child you can enter all the entries for all children on the one sheet.

Please keep all the entries for each individual child together with a couple lines separating each child to make the recording easier for the office.

If you have any questions just contact the office before the cut-off date...

Remember early entries make it easier for all, this is just the entry form not necessarily bringing over the actual item for entry. This way you can just bring your children's actual item over before cut off time.
